

Pennys, Ireland

Munster Stores full inclusive HVAC Maintenance and Call-Out Services

sirus

“Since 1997, Sirius are the successful HVAC services providers for Penneys’ stores in the Munster region...”

Primark is an Irish clothing retailer, also operating in Austria, Belgium, Germany, Portugal, Spain, the Netherlands and the United Kingdom.

Ireland counts 38 stores branded as Penneys and the company’s main headquarters are in Dublin.

Sirus have been looking after Penneys’ stores HVAC systems, in the Munster region, since 1997.

Equipment Under Service:

- Boilers and LPHW Systems
- HVAC Cooling Systems
- Air Handling Unit Systems
- Split Air Conditioning Unit Systems
- Door air curtain Units
- BMS

All planned maintenance is scheduled during closing hours in order to minimise service and customers disruption and reduce safety issues to the minimum.

Thanks to our BMS division, that has been working with Penneys to rewrite software strategies and BMS settings, significant Energy Improvements and costs reduction have been recently achieved in Penneys Stores.

Sirus was also in charge of the Patrick Street R22 Water Chiller replacing operation, which involved a smooth crainage drop-in manoeuvre at 4 am right in the heart of the city.
